Wednesday, March 7, 2012 - Dolores Hydock:

"Novel Destinations: Stories of Side Trips and Speed Bumps"

Come for a ride of the imagination through another place and another time with stories of wanderlust and the wide-open road. In one story, two women find a startling surprise hidden in the hills of Rome. In another, travelers, share secrets on a Spanish train. The final story takes a curious route back home. Hear these tales as only Dolores can tell them!

Hydock, originally from Pennsylvania, is an award winning actress and story performer whose work has been featured in concerts and festivals throughout the United States. She serves as a touring artist for the Alabama State Council on the Arts and the Alabama Humanities Foundation. Dolores lives in Birmingham, Alabama and in her spare time, teaches Cajun and zydeco dancing.
